

A photograph of two men in a workshop setting. The man on the left is wearing a black beanie, glasses, and a grey t-shirt, resting his chin on his hand. The man on the right is wearing a light blue denim shirt, a brown leather apron with tools, and a light-colored baseball cap. They are both looking down at a smartphone held by the man on the right. The background shows a workshop with wooden cabinets and various tools.

Narrow Gate Bridge

Hands-on Leadership Development

FROM LEARNING TO LEADING

Narrow Gate Bridge is a 36-week discipleship and leadership internship for graduates of Narrow Gate Lodge who are ready for the next level of growth. While the Lodge helps young men “lead themselves” by overcoming habits, attitudes, and behaviors that hold them back, NG Bridge takes that transformation further.

Narrow Gate Bridge equips participants to “lead others while continuing to lead themselves,” providing hands-on leadership experience, job skills training, extended discipleship, and financial stewardship.

Where NG Lodge focuses on spiritual formation and personal breakthrough, NG Bridge builds on that foundation with intentional leadership development. Interns step into real-world responsibility and discipleship while learning to coach others, steward influence, and lead with integrity. They serve across a growing range of roles—currently ten and expanding—including NG Leather, NG Coffee, NG Woodworking, hospitality, admissions, marketing, inventory management, event support, and property care. Each area offers unique opportunities for leadership, skill-building, and mission-driven impact.

"MY TIME AS AN INTERN HAS PROVEN TO BE INCREDIBLY VALUABLE TO MY LIFE TODAY."

Gabe, 2019 Graduate

What makes NG Bridge unique is its holistic, three-part model: spiritual maturity, practical experience, and financial stewardship. Interns develop deeply while gaining job and life skills that build confidence and purpose. Each receives a \$200 weekly stipend, affirming the value of their work and leadership. Upon completion, each intern receives a \$1,500 nest egg to help launch their next step. Housing and meals are fully provided by Narrow Gate Lodge.

More than a next step, NG Bridge is a launchpad for a life of impact. Through immersive learning, spiritual formation, and real leadership experience, young men are empowered to live out their calling and disciple others with wisdom, purpose, and humility. It's where transformation becomes leadership—and where calling meets action.

NG Bridge is anchored in the values of:

DEVOTION

Being devoted to the calls and callings in life

GROWTH

Maturing in character and capacity

COMMUNITY

Authentic, sacrificial relationships

Throughout the year, interns cycle through six core leadership competencies:

Managing Work

Coaching

Communication

Stewardship

Teamwork

Learning

These are reinforced weekly through teaching, discussion, and real-life assignments. Interns also lead a "Late Night" discipleship session, join leadership labs, and receive one-on-one coaching.

TOGETHER WE ARE TRANSFORMING LIVES FOR GOOD.
